COMMUNITY CREW IS A REGISTERED CHARITY WHO IS DEDICATED TO PROVIDING HOPE TO CHILDREN ONE LUNCH AT A TIME.

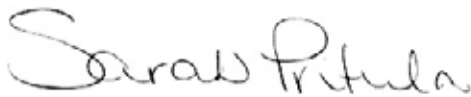

Nearly 1 in 7 children in the Niagara Region are affected by poverty which means that many of them go to school hungry. We work closely with schools throughout the District School Board of Niagara [DSBN] & the Niagara Catholic District School Board and the need to provide a healthy lunch for these children is great.

Our vision for Community Crew is to be able to provide hope to a child in need through our healthy school lunch program. We know that children who are nourished will have a better chance at success in school and in life. We also know that when we teach a child to build a business or learn to give back to others in need, we are not only feeding their bellies but feeding their minds.

Your opportunity to partner with us is outlined in this package and will be used to provide hope one healthy lunch at a time. We know that it takes a village to raise a child and our efforts here are no different. By partnering with Community Crew, you will be helping to not only feed a children but to help change their life forever.

We thank you in advance for your support!

Sincerely,

Sarah Pritula | Director
